

# SoMe Student Worker

## Müller Gas Equipment A/S, Sønderborg

Our marketing department in Sønderborg / Vollerup is seeking a creative and dedicated student worker to join our team. We are ideally looking for someone with experience and knowledge in Adobe programs (such as Photoshop, Illustrator, InDesign), WordPress, and LinkedIn. The position involves approximately 5-10 hours per week, with flexibility in scheduling (preferably 1-2 days per week).

### Responsibilities:

- Create and post content on LinkedIn
- Respond to enquiries on LinkedIn
- Handle product pictures
- Maintain company website using WordPress
- Assist with LinkedIn and CSR reports
- Ad hoc tasks

### Profile:

- You are enrolled in a Bachelor's or Master's program at SDU Sønderborg and have at least 2 years left of your studies. Ideally, your field of study should be European Studies, Business Administration, Engineering, Innovation and Business or a similar field.
- Interest in social media with a good understanding of user behavior (industrial manufacturing)
- Graphic flair and experience with Adobe
- Strong communication skills in written and spoken Danish, English, and preferably German
- Goal-oriented, structured, persistent, and able to work independently and in teams
- Open and honest with a positive attitude

Please send your written application via email to [ms@bmv.dk](mailto:ms@bmv.dk) with the subject line "SoMe Student Worker" as soon as possible.

For more information about the company and to watch a presentation video, visit our website: <https://bmv.dk/>

If you have any questions, feel free to contact our SoMe responsible, Malie Stærkær, at (+45) 73 42 12 18.

*Müller Gas Equipment A/S is an order and series production company whose main production is gas valves / regulators for gas cylinders, natural gas, and medical and technical gases. The company currently employs approximately 135 people.*
